## General agreements for the Supporting membership of the Cuna Project association

1. Any person of legal age can become a sustaining member of the Cuna Project association.
2. As a sponsoring member, you support the cuna Project association in the implementation of the association's purpose described in the association's statutes through a regular financial contribution.
3. Membership begins after confirmation of the application to join the development association by the association administration and after receipt of the funding contribution on the bank account of the association.  
  
4. The sponsorship fee is at least 10 € per month or 111 € per year, whereby the sponsoring members are of course also free to support the association with a higher regular sponsoring membership fee.
5. Active sponsoring members have the exclusive opportunity to receive vouchers for gifts that exceed the minimum sponsorship contribution, which can then be redeemed for accommodation, meals and other offers when visiting one of the association's projects.  
  
In addition, active members have access to the members' area of the website, where we gradually provide content, comprehensive information and videos on holistic peace work, sustainable system change, etc.
6. The sponsoring membership is active as long as the sponsorship fee has been received on the association's account in due time at the beginning of each new sponsorship period (monthly annually). We therefore ask you to set up a standing transfer order in the amount of the desired contribution.
7. If the receipt of funding is delayed, the membership becomes inactive and the above-mentioned benefits for supporting members expire until membership payments are resumed.
8. Membership can be terminated in writing at any time and applied for again at a later point in time.
